Dear ROSI Foundation,

Congratulations! Your organization has been awarded the 2011 Hari Chopra Social Award for your commitment to young girls and women's welfare. It is with great pleasure that we award you \$3,000 USD as the recipient of this award. This is a corpus donation to the ROSI Foundation.

The Hari Chopra Social Award supports innovative and deserving non-profit organizations that improve the health and wellbeing of girls in India. The Hari Chopra Trust was founded by the late Dr. Hari Chopra, a physician and visionary committed to improving the lives of girls and women throughout India by providing educational opportunities and support. HCSA is particularly interested in supporting organizations that integrate girls' education, training and livelihood with health.

This year's Hari Chopra Social Award is a collaborative effort between the Chopra family, the Global India Fund and Samhita. We look forward to your continued success. Please contact me at amitavyas@globalindiafund.org if you have any questions.

Regards,
